## **Getting you there safely and hassle free**

Every day we help people just like you pack up and move - whether it's to the next suburb or across the country. We do this in a professional manner and with a minimum of fuss. We understand the emotions involved in relocating and take care to make your move as smooth as possible. We provide you with a fixed quote in writing and take pride in our reputation of providing high levels of service at very competitive rates.

## **Professionals who care**

From the moment you contact HyperTrans you are in good hands. Our trained consultants carefully assess your moving needs and will provide you with all the advice and information you need.

## **No job too big or too small**

HyperTrans have a fleet of vehicles in all sizes and load capacities, ranging from small packing vans and rail containers, through to large trucks and semi trailers.

## **Packing that protects**

HyperTrans have experienced personnel who are trained to handle your possessions as if they are their own. Your valuables, fragile and heavy items, require special handling and specialized packing materials to ensure they arrive at your new location in as good a condition as when they left.

## **Storage needs arranged**

HyperTrans can arrange long or short term storage for any items that you don't want to take with you immediately or that you want stored in your destination city.

## **Insurance tailored to your needs**

HyperTrans can arrange insurance tailored to your needs to ensure your peace of mind. This can be arranged in conjunction with your moving needs at competitive rates negotiated specially for HyperTrans clients.

## **Have you Forgotten Something?**

There are dozens of things that need attending to when moving. From notifying Government Agencies, Companies and family and friends to turning off water, gas and electricity. HyperTrans has prepared a handy check-list to help ensure that nothing is missed.
